

SOFTWARE KOMTECH English

Copyright:

This program is protected by copyright.

Unauthorized duplication or unauthorized distribution of this program or a part of it are punishable.

Duplication may occur only with previous written approval.

No other legal entitlements:

They take note that the company KOMTECH GmbH Germany is the originator of parts of the software.

The company KOMTECH GmbH Germany keeps the possession claim in the source code of the kernel program (excluded of it parts of the software are of Microsoft corporation or from other sources).

The company KOMTECH GmbH Germany is not liable for the right choice, application and use of the software.

This counts in particular to the case of the application not for suitable hardware or changes of the software.

In particular the liability for all indirect damages caused by the software is excluded.

KOMTECH GmbH Germany does not stick for claims to compensation for every legal argument.

Parts of the software parcel are from Microsoft corporation or from other sources which may be transmitted by us (run time files).

No modifications or Dekompiling:

IT IS PROHIBITED to change THE KERNEL SOFTWARE, on the whole, PARTIALLY to translate, to DISASSEMBLE OR to DEKOMPILER.

Guarantee:

This software is for Windows (r) 2000 and Windows (r) XP.

We point out to the fact that it is not possible according to the momentary state of the technology to provide software in such a way that it works in all applications and combinations, in particular also in use with different hardware components, perfectly.

The software may be used only for the purposes of the program description.
